Mary Taylor

- 26
- Brooklyn
- Student, waitress
- Living with his husband

Bio

She lives with her new husband in a rented apartment, with three rooms. She has a busy schedule between school and work. She and her husband now moved into the apartment, and they expecting a child in 7 months.

Tech

Internet	●●●○○
Social Media	●●●●●
Online Shopping	●●●●○
Gatgets	●●○○○
Early Adopter	●●○○○

Favorite Brands

NIKE ASOS NETFLIX

Wants & Needs

- Design the new apartment with existing furniture and some new additions.
- Add plants to her home.

Frustrations

Wants to add accessories that will make the living room like the pictures on Pinterest, but she cannot decide what to do and does not do that.
